Wahawak

May 26, 1960
(Thurs. night)

my Dearest Bill,

Guess what? Sally Peterson just phoned me a few minutes ago, and told me that the fellow's name isn't Craig Mosier. That she got me a date with tomorrow night - it's Greg Mosier and he's from some other town. So, I got real curious about this name Craig Mosier. I couldn't understand why you said what you said, until I saw his picture, and I burst out laughing - "yes," he is a "goody."

Honey, you sure are nice to me, & just can't think of anyone else but you tonight. You looked so nice when you returned my Annual tonight. It's too bad that you and your father couldn't have stayed a little longer, because I won't get to see you again until you return from Wisconsin, and that's a l-o-n-g time for you to be gone. I'll miss you, but then I'll have your annual to look at until you return to Waterloo, so it won't really be so bad. Do you think I acted too silly in front of your father tonight? You see, I was just thinking about you when I saw you walking up the side-walk and I was so happy to see you I got silly. And I just forgot myself when I went out to say "Hello!" to the head of your family - "Dad!" (or at least that's who's the head of our family).

Say! you took a wonderful picture in the Annual this year - you didn't look scared, or anything, you had a very pleasing smile, and your hair was combed just right. Talking about hair - "How's Tim?" He sure is a pretty big dog, but, so sweet. He looks real cut when he lays his head on the fence...

Bill, I finally found what you wrote in my Annual - "Thanks!" It has been a lot of fun being with you, these past few months. And I hope that we will be able to have a lot more fun in the days that follow - understand? (In other words, you have made a very good impression to me. And I have gotten to like you very very much.) You're a wonderful young man Bill, and I've really enjoyed myself when on every date, ice skating last Dec. The Party at the Club. And riding around in the car, and the last thing was May 15, 1960 Sun. when you took me miniature Golfing for the first time in my life. Oh! And then last night when you took me home after the Choir dinner over at Nancy Paulo's home. I guess I'd better close - may you have the Best of Luck in all you do. God bless & keep you.

all my love (+)

Marian Kay Wilson

P.S. It's raining again tonight... (now, you are probably wondering why I add this last little ditty, well, it's something to remember isn't it?)

My Bill,

To a nice guy who I've had a lot of fun with ever since I met him. I'll remember the times we went golfing together at the academe. Were going to Clear Lake on our vacation.

I don't know what the Algebra class would do without a guy like you. It would be quite, but that's no fun is it? You seem like a real nice guy as much as I have known. Try to be good next year which is probably impossible. But try. Good luck in all you do.

EXECUTIVE BOARD I

B. Eastman, C. Kress, L. Olson.

Student Senate I

Student Senate provided a chance for representatives from each homeroom to sit down together and discuss problems which arose in our daily school life. Raising money for the foreign exchange student program was a challenge to these senators the first semester. This was successfully accomplished by a cake-walk and a student-faculty basketball game.

STUDENT SENATE OFFICERS

There is an unusual situation here as Jean takes over the gavel. She finds that her two colleagues are both experienced from holding down the same office first semester.

EXECUTIVE BOARD II

Left to right: B. Eastman, J. Robinson, L. Olson.

Student Senate II

Self-government was put into practice by this representative governing body. Working not only as a body but also through inter-related committees, they were able to cover more ground. This semester the Senate sponsored the Bundle Drive, challenged the students to competition in Silver Strings ticket sales, and supervised the planning of Variety Show and Prom.

Gaveliers I & II

A pound of the gavel, a call to order, and another Gaveliers' meeting was in session. In these sessions our homeroom prexys became acquainted with correct parliamentary procedure and discussed questions which arose from homeroom meetings. Close association with West's other governing body, Student Senate, resulted in the co-sponsorship of the student-faculty game in an effort to raise money for our foreign student program.

Future Nurses

Need a headache remover? Just contact one of our school's future nurses to alleviate the problem quickly and effectively. Through this club these girls expanded their knowledge and understanding of nursing while gaining an insight of what to expect in the future. Discussions and speakers acquainted them with the many branches of this field — from hypnosis in medicine to public health work. Things to remember will be the pleasure of giving to the Children's Ward at the Independence Memorial Hospital, the excitement of field trips, and the rewarding experience of donating time and effort to actual hospital work.

Future Teachers

"If you become a teacher, by your pupils you'll be taught." This is only one of the many experiences these future teachers can look forward to in their chosen profession. Now with their eyes toward the future, they gained useful insight while helping with Kindergarten Round-up Day, hearing interesting speakers, and taking a senior field trip to Iowa State Teachers College. Theirs is a worthy vocation — meeting the problem of our modern-day classrooms and moulding the minds of our future leaders.

Annual

The year at the turn of a page — a year of thrills and disappointments — all recorded in our annual. The WAHAWK was conceived last fall as the staff pooled its ideas and reached decisions on the theme, annual skit, general format, and cover design. Many layout sheets later, our annual was finished and off to the presses.

SCENE FROM LILIOM, FALL PLAY

Fall Play

On October 16, **Liliom**, the story of a shiftless bully in the slums of Budapest, was presented on the West High stage. Leading roles were portrayed by Jerry Silver (Liliom) and Bonnie Larson (Julie).

Contest Play - Spring Play, **THE BARRETTS OF WIMPOLE STREET**

The beautiful love story of Elizabeth Barrett and Robert Browning was the theme for the contest play, which went all of the way to win a Division I rating in the State speech competition at Grinnell, March 19. This was a cutting from **The Barretts of Wimpole Street**, which was presented as the spring play on April 29.

Honor Club

3.4 average for three consecutive semesters! For this accomplishment many hours of cracking the books and tons of midnight oil were consumed. But to the studious goes the reward. To aid in deciding upon our indefinite future, discussions and speeches were planned on college life and requirements, career opportunities, and current affairs.

Bible Club

Learning about the Bible and its part in our lives was one of the Bible Club's goals this year. A unique and successful experiment was the club's participation in a correspondence course of the Moody Bible Institute. Questions after lessons were filled out, sent in, graded, and returned. Speeches by a former chaplain at Eldora and ministers from the city added to the year's program.

Ushers

The house lights dim. Their work is over and they can rest. Anyone who has ever ushered for Variety Show knows the seemingly impossible task of getting everyone seated in the right section, the right row, and the right seat before the curtains swing open. But somehow everyone manages to survive. At football games we find the stronger sex directing traffic in the stadium. During the year the juniors and seniors have many opportunities to usher at plays, the Christmas program, and musical performances; the sophs help out at Variety Show and Commencement.

F. B. L. A.

No typing paper! How often have we run out of paper in typing class and been thankful that some could be bought within a few steps? Selling paper was the special project of this club. Besides rescuing people in need, these future businesswomen prepared for the future through speakers, discussions, and a trip to the State Convention in Cedar Falls.

Y-Teens

The Apple Polishers' Tea to which each girl escorted a teacher for talk, refreshments, and entertainment; Judy Anderson's first-hand account of her experiences at the National Conference supplemented by slides of New York and Washington; the slumber party at the "Y" during Christmas vacation at which everyone chipped in to wrap toys for a needy family; a talk and showing of slides by German exchange student Helga Rodel, through which we expanded our understanding of Germany — these were the highlights of a busy Y-Teen year. By participating and co-operating together, we were able to learn more about other people and have a lot of fun in the process.

Hi-Y

Fun and education. This was Hi-Y. Selling Christmas wreaths to make money to send representatives to the Model Legislature in Des Moines was the special project for the year. Long remembered will be the trips through the Telephone Company and Iowa Public Service Company; speeches by the deputy sheriff and Iowa Congressmen Arch McFarlane and Barney Balch; and handball games and swimming parties.

Des Moises

With dreams of becoming graceful dancers, these sophs learned the basic skills and movements of modern dancing.

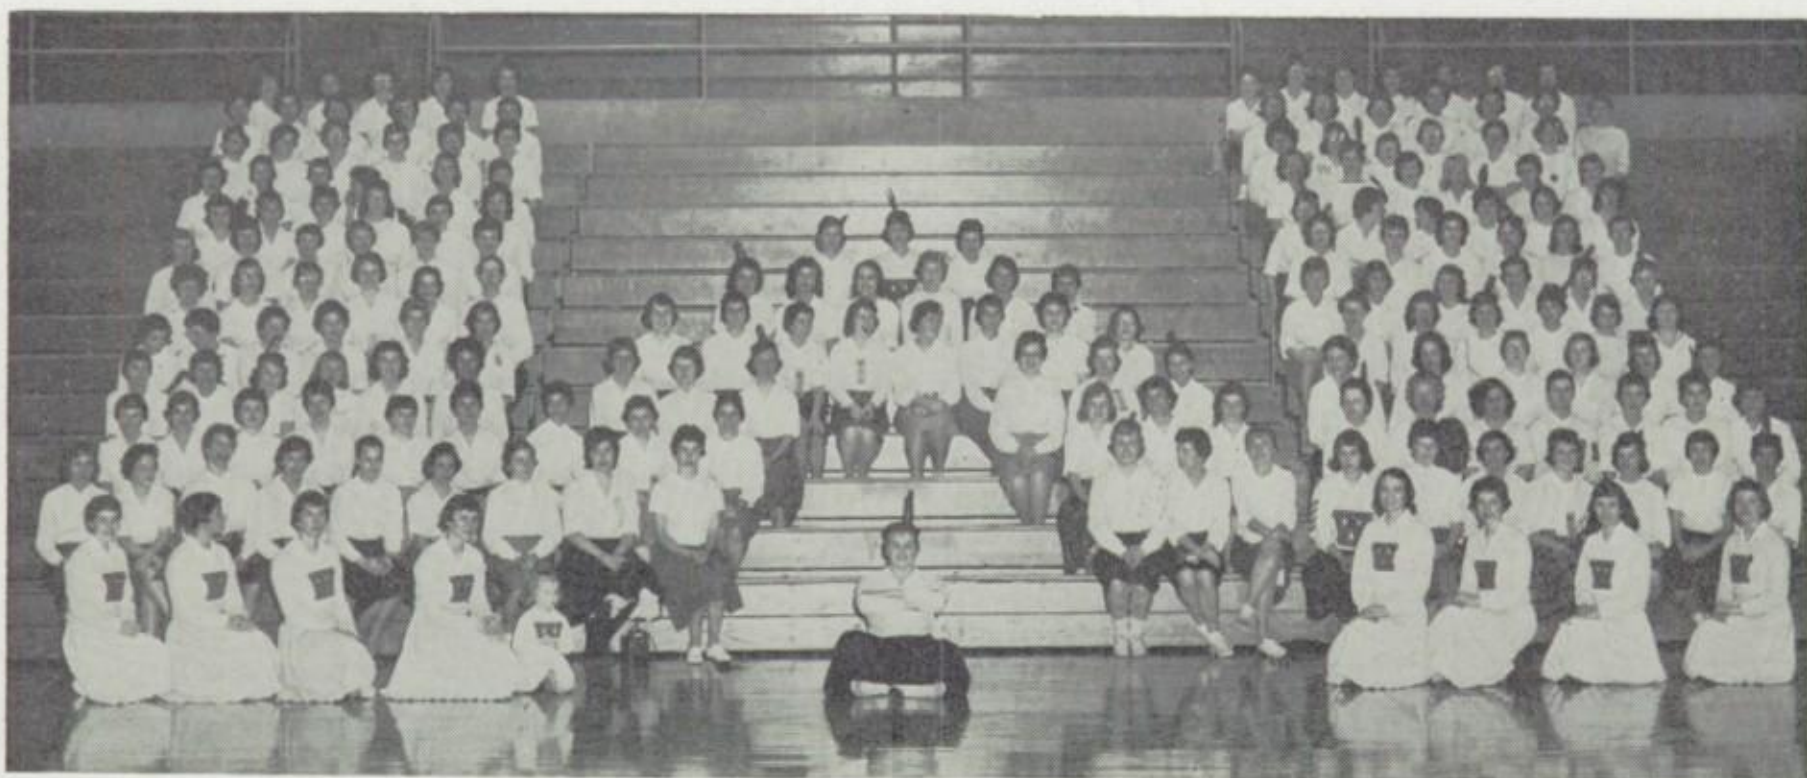

Terpischorea

An integral part of Terps was its part in Variety Show — its responsibility of creating and teaching choreography to the dance lines in the show. Dances for the Homecoming assembly and for the fall play were provided by this senior club.

Pavlovians

With an eye toward being in Terps next year, these junior girls improved their dancing skills, learned new exercises, and had a good time working together.

Pep Club

A solid bloc of white-clothed spectators at a game is an impressive show of real school spirit in action. Realizing the vital part school spirit plays in the success of our athletic program, these members acted in pep skits, planned new cheers, and painted signs for the halls. Other projects were selling East-West football cards and purchasing a big sign for the gym.

The girls are invading the athletic world! Shuffleboard, volleyball, swimming, and archery were taken up by these feminine athletes in intra-mural competition.

Silver Strings

"I'll See You in My Dreams" introduced the melodious tones of an exceptional group of musicians — Silver Strings. Besides the annual spring concert, this organization of combined strings of West Junior and West High performed at the Kiwanis Club, Rotary Club, a church banquet, and assembly programs at both schools. They experienced joy from creating beautiful music that enchanted and captivated their audiences.

Band

"Heads up, eyes on the horizon, and get those knees up!" With these commands Mr. Baker drilled the marching band for their intricate and entertaining half-time shows, regardless of weather. Never to be forgotten: the trip to Mason City in a downpour; the secret practices for the East-West football game only to be faked out by the disappointing weather; the keen competition between bands in ticket sales for the "Evening of Music" resulting in a memorable party for both bands; the big Music Festival at East; the long hike through town for Band Jubilee. The spirit and the top musical quality of the band were accomplished as a result of everyone's working together and having immense pride in the band.

A Chorus

A Chorus this year was really a "Class A" Chorus. First on the agenda was the fall assembly program. Then many long hours of practicing and memorizing music were put in for the beautiful Christmas program. Highlights of this season were the performances before the Kiwanis Club and on television. Who can forget those burning hot, bright lights in the small TV studio and the nervous tension during the practice run-through before the actual excitement of appearing on live TV?

Also to be remembered was the annual Christmas party. Then busy again in preparation for the "Evening of Music" concert in February. For some there was a change in routine as the Swing Chorus swung into action and new steps had to be learned as well as new music. Something new was in the air, for the Music Festival this year was held at East with Cedar Falls joining the two schools for the first time. Then to wind up the year, the Chorus sang at Baccalaureate, the last time for the seniors.

Cafeteria Workers

As the hour drew toward mid-day and the pungent aroma of food permeated through the halls, Wahawks began to feel hunger pangs and to dream of devouring platters of steaming nourishment. To meet this end, we found these many workers waiting to serve us. They were people we wouldn't want to do without.

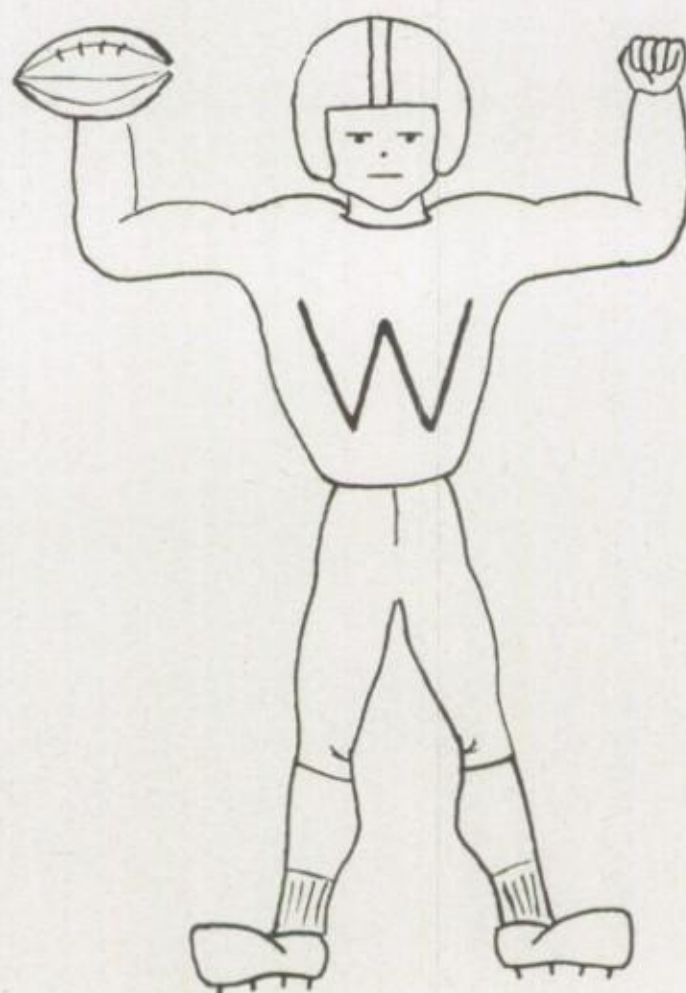

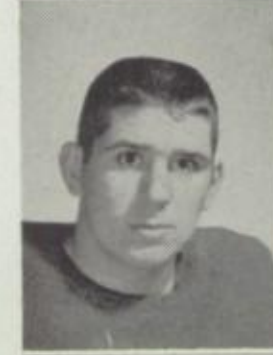

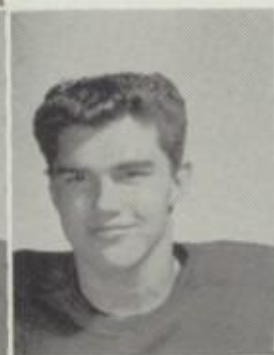

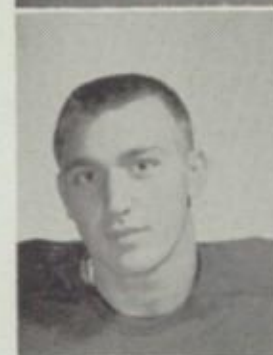

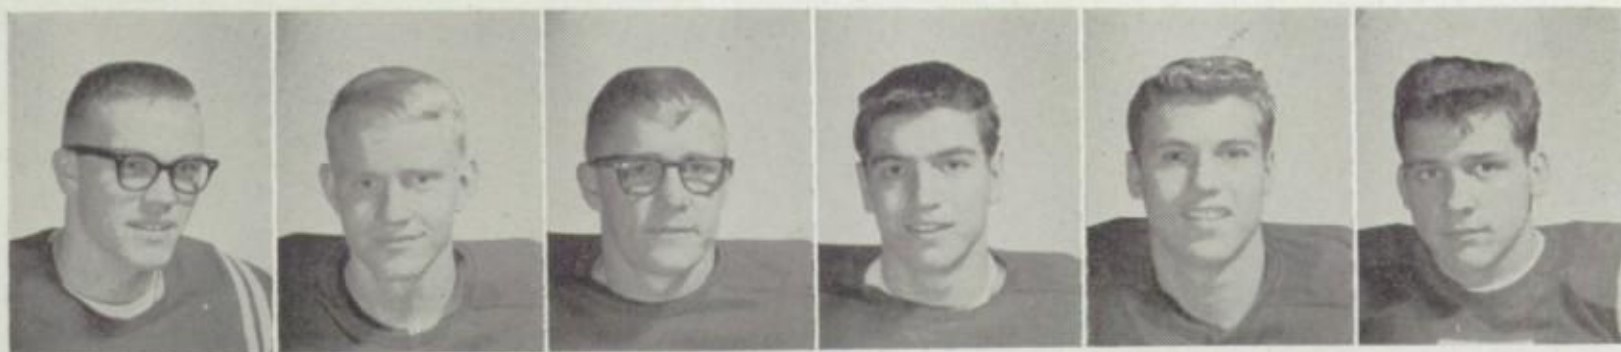

Co-op

On-the-job training was received by these students as they combined study and work. At first glance it seemed quite nice to spend only half-days in school, but while they were here, they carried a full load of two academic courses and an allied course related to their work. They were planning for the future.

With Coach Dutcher and Assistant Coach Walker, co-captains Tom Burke and Dave Brandhorst, no amount of rain or snow could keep the 1960 varsity squad from coming through with an impressive 5-2-2 season. Dave Brandhorst, Tom Burke, Nick Tollefson, Larry Ainley and Chuck Doepke were named to the All-Conference team; Chuck was also placed on the All-State team.

Rod Clark and Jim Smith were elected co-captains. Larry Ainley was chosen as "Prep of the Week" by the Des Moines **Register**. Also, Ainley and Jim Nissen were picked as center and guard respectively on the first team of the Big Six poll of coaches and sports writers. Chuck Doepke was a second team choice. Ainley received the Waterloo **Daily Courier** "Most Valuable Athlete" award. In two years of varsity competition, Larry Ainley broke Bob Stoy's record in rebounds.

It was a good year, and we were proud of the team and its accomplishments.

Tom Craft. Junior Tom Simpson lent his pitching arm and set a record of 29 consecutive scoreless innings pitched. Besides regular games, the team participated in tournament competition.

Rifle Team

The Rifle Team participated in postal matches with cities from all over the country. Captained by Jim Grier, these gunmen finished the season with six wins, six losses, and one tie. The Club Champion Medal, awarded annually by the National Rifle Association, was won by Bob Alexander with a perfect target and score of 100 in a special match.

Girls' Golf

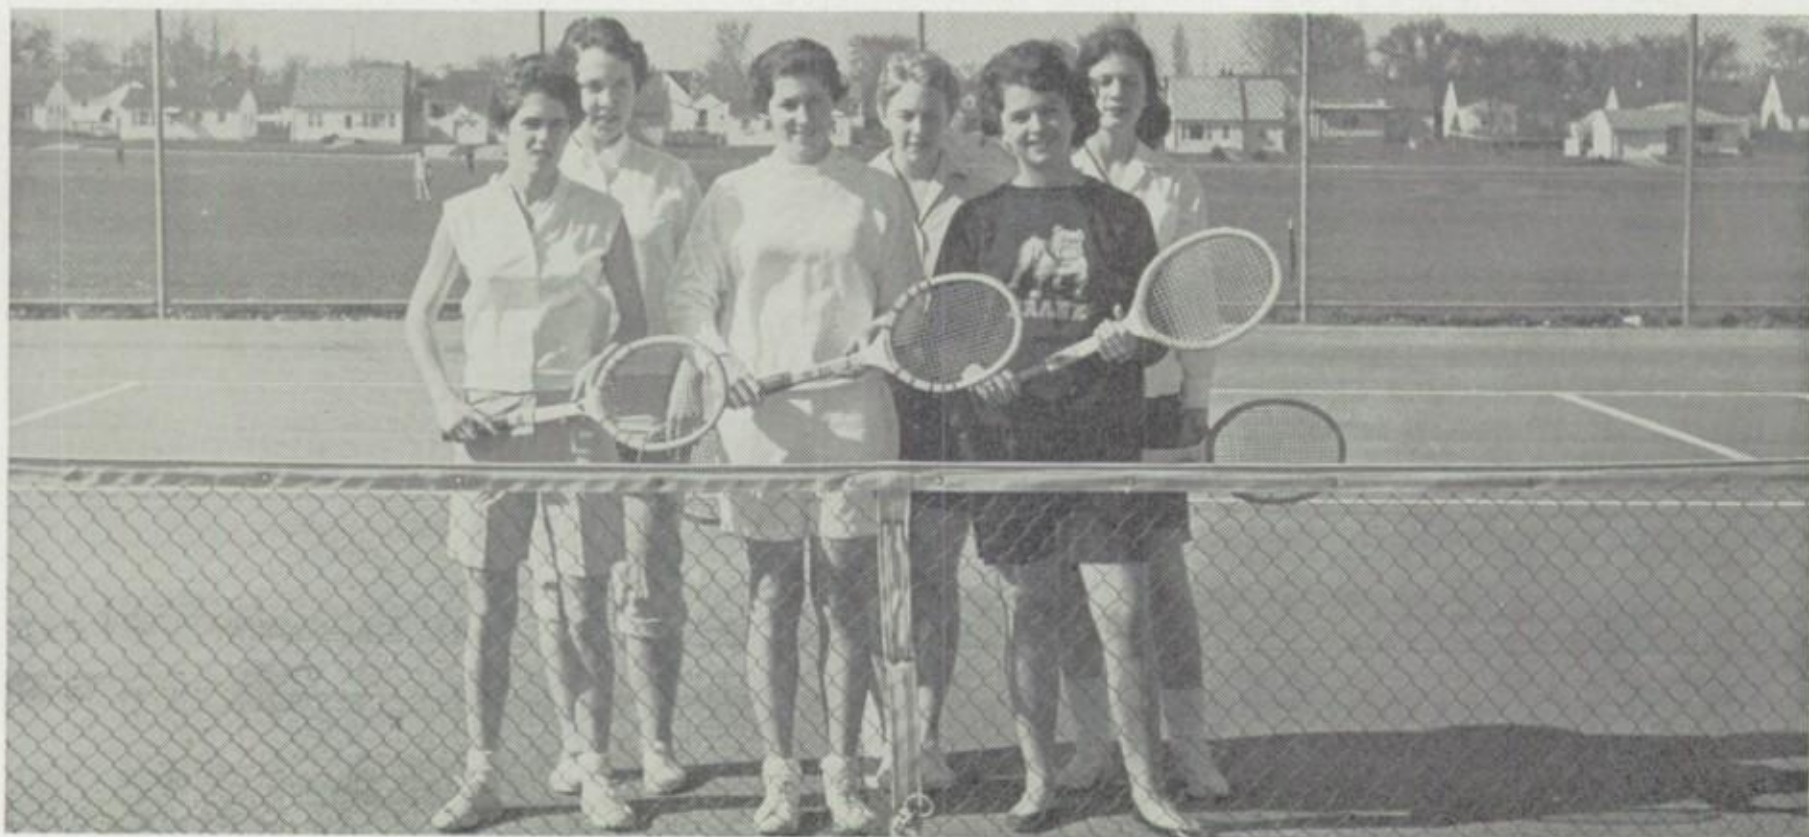

Cammy Repass, Helen Louise Graham, Barb Cohn, Barb Simonsen, and Luanne Schultz returned this year to lead the girls to victory on the greens. As state runner-up last year, these feminine golfers had a high goal to strive for in their matches and tournament play this year.

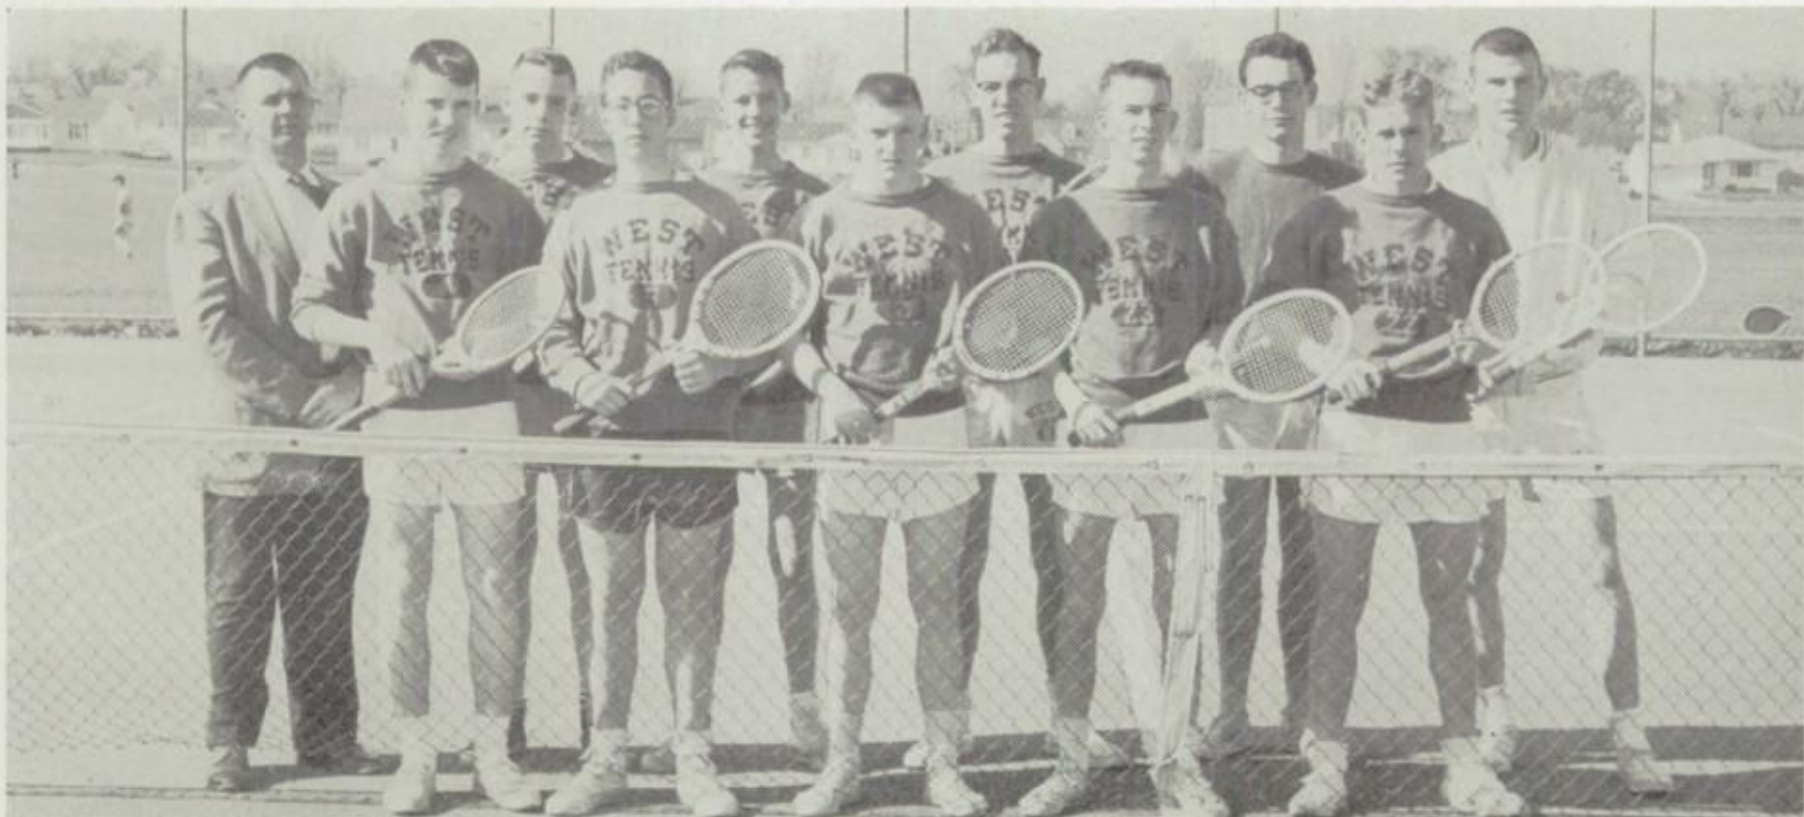

Girls' Tennis

On West's courts could be found Karen Moser, twice District and State Champion; Nancy Baker and Judy Grange, defending District and State winners; and other veterans Judy Willhite and Nancy Nason. With such strength the girls again showed their skill and power in meeting the challenge and finishing in true Wahawk style.

SOPHOMORE CHEERLEADERS

Left to right: B. Thompsen, V. Dray, M. Cohn, S. Elliott.

Varsity Cheerleaders

Behind every great man there's a woman, so they say. And behind all our fighting teams there were eight women, the varsity cheerleaders. Their invincible spirit has pervaded throughout all the athletic activities at West this year. Many, many hours have been devoted to practicing, thinking up new cheers, planning pep assemblies, and keeping up the school spirit. Win or lose — we knew we could depend on our girls.

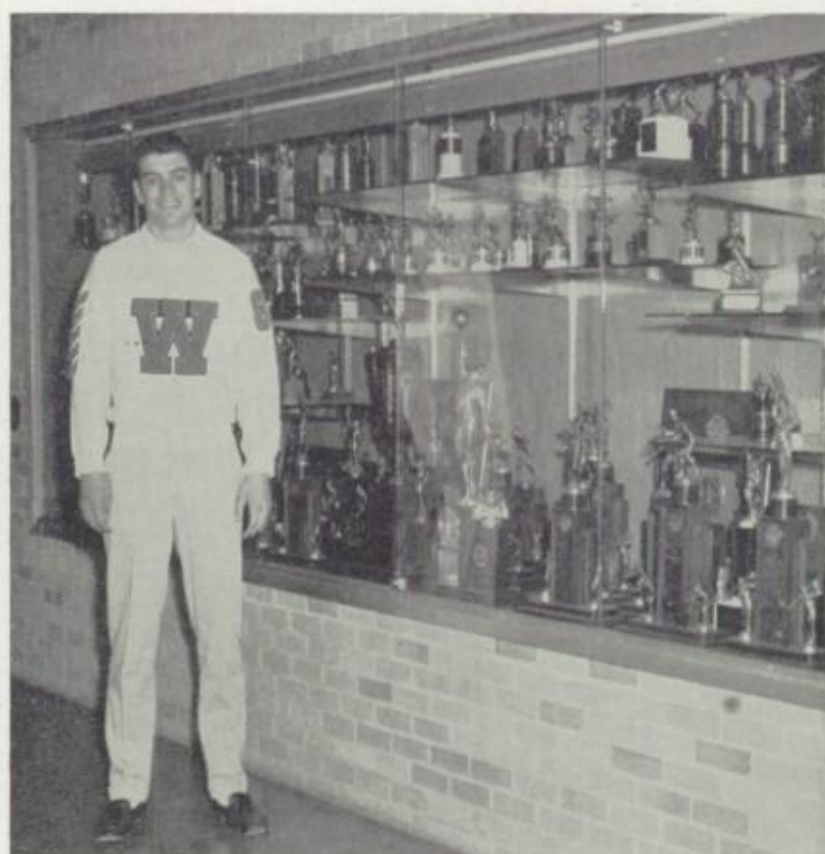

VARSITY CHEERLEADERS

Left to right: S. Tanner, J. Robinson, B. Billington, M. Holt, C. Glidewell, J. Robinson, C. Brown, J. Young.

Most Valuable Athlete

Larry Ainley, this year's Most Valuable Athlete, lettered two years as an end in football, was a guard in basketball, and was a pitcher and outfielder in baseball. He received Honorable Mention in the state in football and basketball this year and was placed on the first team in basketball and on the second team in football in the Big Six this year and on the second team in the Big Six in basketball last year.

LARRY AINLEY

Varsity Club

Boys engaging in a rousing game of jacks in the Student Center? No, it couldn't be! But, yes, it was. The only plausible explanation had to be that it was Varsity Club initiation time again. Then there was the "scum show" in the auditorium. How we laughed!

Besides being so entertaining, these athletes tackled some serious and worthwhile projects: selling Christmas wreaths, collecting toys for Cerebral Palsy Children, starting a health area in the wrestling room for building their muscles, ushering at basketball games, and getting together for a banquet at Christmas.

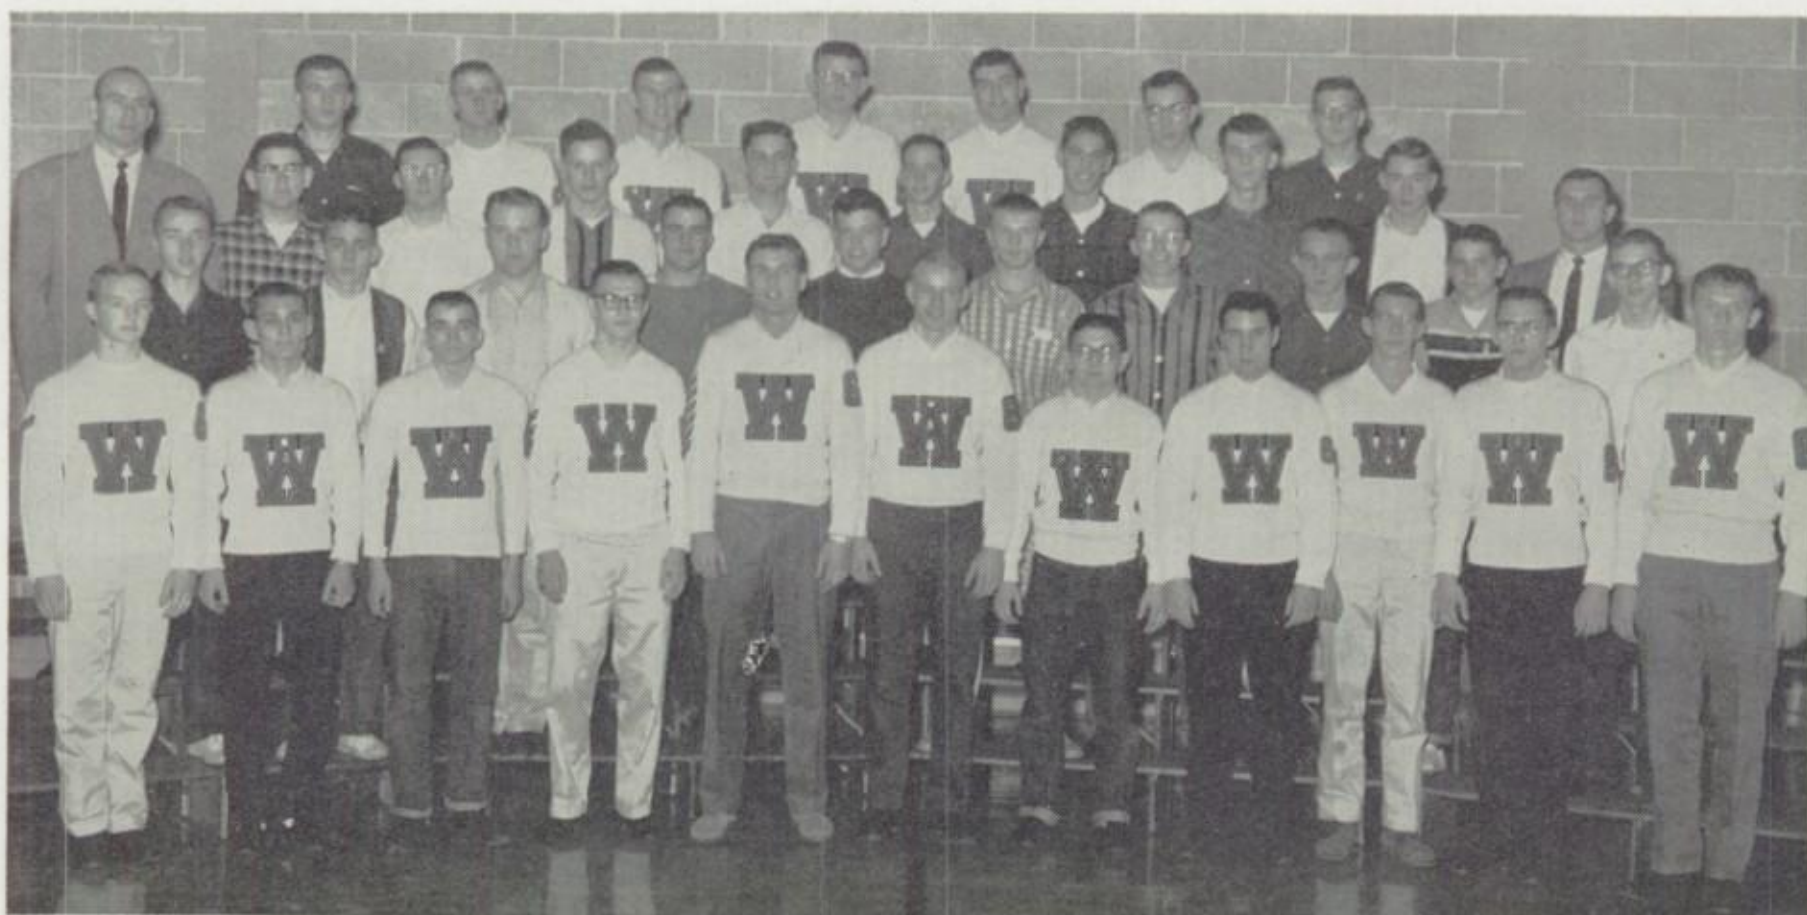

VARSITY CLUB

The end of another year has come . . . the class of 1960 graduates. In the future, as we advance into the adult world and go our separate ways, time will pass very quickly, but I sincerely doubt that three enjoyable years will ever pass more quickly than the ones we have just completed at West High.

From the beginning — when we entered as scared sophs — to the end — when we leave as confident seniors, we have thrived on the spirit that makes West what it is: an outstanding school. The spirit is here to stay, but when the class of 1960 leaves West forever, each of us will have a part of it to keep always for his own.

Bill,
 You and
 Marion have
 had some
 wonderful time
 so I read.
 I am a great
 guy and I hope
 you sometime
 we can talk
 without fighting.
 Keep your beautiful
 eyes and handsome
 build.
 Be good and
 have fun this
 summer.
 Love
 David

Bill,
 I am glad you saved a whole page
 for me. You really have added
 to the atmosphere in Library. I
 haven't gotten a thing done!!
 But at least we know you
 can be quiet for 60 seconds!
 I really can't imagine you
 being quiet, it just wouldn't
 be the same.
 Good Luck always & hope
 to see ya in Library next
 year - Take good care of
 Marion!

Bill,
 I really don't know what
 to say but here goes. I'll bet
 poor Mr. Stansbury will be
 glad to get rid of you. Well be
 good this summer and I'll
 probably see you a few times.
 Lots of luck in the future
 with Marian. Love ya,
 Ruth

Bill,
 my dear little cousin! that
 is something I'd rather
 forget. You are sort of nice, fun
 even though you call me
 "Hox." Well, it's too bad you
 still have another week
 of school left - I'll be
 thinking of you still
 here. I'll probably see
 you some this summer.
 Best of luck next year
 and stay out of trouble.
 Pat

Bill,
 We'll always be friends
 to the end, to hell this is
 the end. (Just kidding) Really
 we have had fun this
 year and I am looking
 forward to this summer.
 Take it easy on Marion
 she is a great kid. But
 of luck in the future.
 Love M. Marion

Bill,
 I am sure the
 summer is
 going to be
 a lot of fun
 for you. I hope
 you will have
 a great time.
 I hope you will
 have a lot of fun
 with Marion.
 I hope you will
 have a lot of fun
 with Marion.
 I hope you will
 have a lot of fun
 with Marion.
